

NFCCS To Sponsor Dance In Loyola Gym

Alpha Sigma Nu Reception Set April 22; Banquet to Follow

Formal reception ceremonies for the new members of Alpha Sigma Nu, national Jesuit honor fraternity, will be held on Sunday, April 22, in the Faculty House at Evergreen. Following the ceremonies, which take place at four in the afternoon, will be an informal banquet.

Ten pledges have been nominated for the 1951 Chapter of the fraternity. Included are three seniors, five juniors and two alumni, who are, respectively: Eugene Conroy, John Garland, Edward Miller, Howard France, Edward Pula, Lawrence Rodowsky, G. Joseph Sills, George Strohecker, Jason Brunk and Peter Stehle.

Address By Rector

Next year's campus president will be elected from among the juniors being received. The Very Rev. Thomas Murray, S.J., President of Loyola, will welcome the gathering with a brief address.

Expected to attend the occasion are several alumni members of the fraternity. Currently there are ninety-two living members of the Loyola Chapter and one deceased.

Two Alumni Nominated

Brunk, now a sergeant in the Army, will be on leave at the time of the affair, and has written that he hopes to be present. He is on active duty, and subject to immediate call.

Stehle, who won a fellowship to Purdue University, expects to return to Baltimore for the reception. He is doing graduate study in chemistry at the Lafayette, Indiana, institution.

Spring Theme For S-F Dance

"Spring Fantasy," the freshman-sophomore dance will be presented on April 28 in the Loyola College gymnasium. The music will be supplied by the Debonaires Orchestra. Arrangements have been made to accommodate 250 couples.

The decorations, which will suggest the theme, Spring Fantasy, will be supplied by one of the larger department stores in the city. A supply of ornamental glass ash trays will also be placed throughout the gym.

No overhead lights will be used; the floorlights, which have not been utilized for some time, will be restored and turned on for effect. James Garland, general chairman, emphasized that the dance will be for the enjoyment of the students.

According to Garland, "Tickets will be only \$1.50." John Potthast and Company will supply the refreshments, which will be served in the recreation room of the gym.

An innovation will be added to the cabaret affair, a committee has been set-up to handle the parking problem usually encountered at Evergreen dances. Hugh Meade has been appointed to head the decoration committee, as well as, the parking committee.

"The dance should be a success," stated Garland, "we have set a low price and are providing for a large crowd."

Sodality Holds Reception Day

Reception of new members will be combined with the annual sodality day of recollection scheduled for Sunday, April 22, in the Student Chapel. The reception ceremony will take place immediately after nine o'clock Mass in the chapel; the new members will be presented with Sodality pins and diplomas, and their names will be inscribed in the official Sodality roll book in Rome.

This ceremony follows a period of probation in which the members were checked on their attendance at meetings and their participation in projects. Breakfast will follow in the cafeteria immediately after the installation.

The day of recollection will be conducted by the Rev. Francis A. Nugent, S.J., now a "fourth year father" at Woodstock College. Fr. Nugent was a Sodality moderator at Loyola High School during his regency, and he is known to many Loyola High graduates. His schedule calls for three talks which will be followed by discussion periods.

The Sodalities of Notre Dame of Maryland College, and of Mount Saint Agnes, and the Newman Clubs from The Hopkins University and State Teachers will send delegations. Lunch will be served in the cafeteria to an estimated sixty Sodalists. Reservations may be made with Louis Reinhardt, Prefect of the Junior Sodality. The cost of meals is expected to be approximately \$1.50.

In Memoriam

The Rev. Joseph A. Canning, S.J., former president of Loyola, died last month at the age of sixty-eight. Fr. Canning was stationed at St. Peter's Church, in Jersey City, where he took up residence after he left Loyola in 1938. He acted as rector here from 1934 to 1938, after a term as administrator at St. Francis Xavier High School, New York.

Fr. Canning entered the Jesuit Novitiate at Frederick, Maryland. He took his philosophy at Woodstock College and taught at Xavier High School and at Holy Cross College. He was ordained in 1915 by Cardinal Gibbons.

He was succeeded here by the Rev. Edward Bunn, S.J., Fr. Canning was buried with a requiem Mass at which the Rev. Thomas J. Murray, S.J., Rector of Loyola, represented the faculty and student body.

Social Evening Ends Meeting At NDM

Tomorrow evening the National Federation of Catholic College Students will hold their annual Congress Dance in the gymnasium of Evergreen. The Men of Note will supply the music for the affair, which will last from nine until one.

The dance will follow the Baltimore-Washington Region Congress scheduled to take place at Notre Dame College from nine in the morning until five in the afternoon on the same day. Edward Pula, NFCCS senior delegate, said the proceeds of the dance will be used to help defray the expenses of the Congress.

Tickets for the evening affair are now on sale in the bookstore at a price of \$1.50 per couple. The dance is cabaret style, informal and open to the entire student body as well as other schools. William Manger is handling tickets.

Refreshments, under the direction of Anthony Spartana, will be served in the recreation room of the gym. Chairman of the decorations committee is Vincent Brocato, who will be assisted by the students of Notre Dame and Mt. St. Agnes.

The profits derived from this dance will be retained by the Federation and used in its national program of extending financial aid to students in foreign universities and colleges who have been impoverished by the previous war.

Four Marital Talks Slated

A series of four pre-Cana conferences has been scheduled to be given at Loyola College, the first of which was delivered on last Sunday, April 8. The remaining lectures will be given on April 15, 22, and 29.

Three of the talks will be given by the Rev. John J. Scanlan, S.J., instructor in Ethics at Loyola College. On April 22, Dr. Eleanor Langton and Dr. Peters will give talks on the physical and psychic side of marriage. Both of these doctors are Catholic psychiatrists from Philadelphia who have been giving Pre-Cana talks to engaged couples in that area.

All couples who are engaged to be married, or those who are unattached are eligible to attend the study sessions. There will be no charge for the four conferences, which are open to outsiders as well as to students.

The subject of the initial talk was: Marriage as a Sacrament, the Nature of Conjugal Love, Masculine and Feminine Psychology and Emotional Maturity.

In subsequent talks the moral problems of courtship and marriage; the legal aspect, both canonical and civil; the economic point of view and the liturgy of marriage will be discussed. Invitations were also issued to students of Notre Dame College and Mount St. Agnes.

SC and AA Nominations Close Friday, April 20

Nominations for the offices of President of the Student Council and President of the Athletic Association will not be accepted after next Friday, April 20, announced a spokesman for the Student Council. To date, five have submitted their petitions for candidacy.

Draft Testing Planned Here

With the announcement that all college students may be deferred until 1952 by taking an aptitude test, Loyola College has made plans to conduct these examinations in the Library Building on May 26, June 16 and June 30. Any student who wishes to be deferred must take the tests on any of the three prescribed dates.

Deferment regulations, according to General Hershey, selective service director, state that juniors in the upper three-quarters, sophomores in the upper two-thirds and freshmen in the upper half of their class will be deferred for one more col-

lege year. It will not be necessary for these students to take the aptitude tests if they do not wish to do so.

It was further specified that if the undergraduate does take the examinations, he will be required to score 70 points. Seniors planning graduate work may also be deferred by remaining in the upper half of their class or scoring 75 on the test.

According to Mr. Henry Zerhusen, director of the Placement Office, "Although we have not as yet received a copy of the test, there is a strong indication that it will be just a regular psychological examination."

Seniors Ready Prom Plans; Band Signed

Arrangements have been completed for the annual Senior Prom which will be held on Friday, May 4, at the Caswell Room in the Lord Baltimore Hotel.

The dance will be strictly formal and will be open only to the senior class except for fifteen bids which will be placed on sale for the rest of the student body.

Carl Hamilton and his ten-piece band will supply the music for the gala occasion. Highlighting the evening will be the traditional promenade led by John Garland, president of the senior class.

The affair is under the general chairmanship of Garland, with publicity being handled by Eugene Conroy. Arrangements are in the hands of William Kneavel, Douglas Pfeifer and Gerard Muth. John Kelly and William Monaghan are in charge of the favors and program, respectively.

Senior Retreat Begins April 23

Loyola College seniors will hold their annual retreat this year at Manresa-on-the-Severn beginning on Monday, April 23, and ending on Wednesday, April 25. The Rev. William E. Welsh, S.J., will act as retreat master and conduct all services and lectures. Fr. Welsh was the former rector at Wernersville, and is presently a member of the Jesuit Mission Band.

The three day retreat will formally open at six in the evening with a welcoming address by Fr. Welsh, followed by Benediction. Mass will be offered on Tuesday and Wednesday mornings in the Manresa Chapel, followed by lectures in the morning, afternoon and evening.

Stations of the Cross will be held in the evenings, along with other prayers and talks. The retreat will officially come to a close at four o'clock Wednesday with Benediction of the Blessed Sacrament.

While attendance at the services is not compulsory, all seniors who can possibly attend are urged to do so. An invitation is also extended to all non-Catholic students in the college to join those planning to make the trip to the Annapolis retreat-house, according to the Rev. Joseph d'Invilliers, S.J., student counselor. The freedom of the grounds will be allowed all the retreatants.

Track Squad Opens Season; Intramural Schedule Set

by Jack Potthast

Track

Because of bad weather and other unfavorable conditions, the Greyhound Track Squad has been hindered to an extent where no one, not even Coach McElroy, is sure of what caliber team he has this year. Although he is dubious of the outcome, his hopes are high, as their are numerous veterans returning to display their talents along with a host of newcomers.

The vets are George Kimmerlein in the 2 mile jaunt along with Tom Volatile in the mile run. Bob Hockworth will be in the hurdle event while Jack Cyphers is back to help in the pole vault department. The lone veteran high jumper is Malcolm Rose. Throwing the shot put will be Macek and Healey. Gregorek is the discus thrower. George Field and Irvin Bowes are the 100 and 220 yard dash returnees.

To Meet Hopkins

Newcomers who have shown much promise are Ed Colbourn, George Bonodio and Bob Robinson in the distance run; John Benzing and Jim Lynch in the hurdles; Frank Cosentino doing the pole vaulting.

Communist Lies

Communist propaganda is winning a major economic victory in their war against truth. Their condemnation of large corporation profits and Wall Street investors has gained a foothold in the minds of many Americans. So convincing is the Marxian line that college students everywhere, unschooled in basic economics, echo the lies, unwary of what they are doing.

The picture the Commies paint depicts the existence of corporation profits far exceeding the return due to the investment. They strive to create the impression that these profits go to one person or to a select group of Wall Street "vampires." Nothing could be farther from the truth; large scale American industry demands investment capital from thousands of investors; Du Pont in 1946 had 92,139 investors who share the profits of that vast corporation. Surely profits are high for such a company, *they should be!* The stockholders are entitled to a return on their savings; machinery is constantly wearing out and must be replaced; the companies must be in a position to increase their output when the occasion demands.

Economics lies at the basis of Marxian philosophy, thus, true economics must be understood by the college man in order that he may not fall into the errors of Red thinking. An honest investigation should be made of all the lies and half-truths, the Communist style is patent once one understands.

The Draft

General Hershey's test-for-deferment proposal for college students has afforded the democrats and republicans with another chance to play their favorite game—political football. Hershey's plan is the wisest and least expensive proposal to date advanced on the subject, yet certain congressmen oppose it as discriminatory legislation.

What the non-thinking congressmen failed to take into consideration is that the measure is not intended to keep a college student out of the service forever, but to leave him in college only until such time as he receives specialized education, which the military intends to utilize later. This is called discriminatory. Rather, it seems to be waste utilization of manpower.

During World War II the colleges were drained of virtually all students, suddenly sensing the need for specially trained men, the Army inaugurated its ASTP program and the Navy its V-12 plan, which costs put together netted the taxpayer a tidy sum of money to pay out. Hershey's plan is less costly, but discriminatory so they say.

The military understands that college-trained men are important, why can't the politicians?

Library Noise

Noise in the Jenkins Memorial Library has reached the point where it competes with the banshee howling of the wind as it whips through the window crevices. This condition is unnecessary and can be eliminated with the minimum of effort.

Unnecessary since the establishment of a room for group study would reach the roots of the trouble and do much to eradicate it. As things now stand, the library is the only facility available for study outside of class; hence, it is utilized for both individual and group preparation.

Dotting the campus are several nooks which easily could be furnished and expressly reserved for group projects; once this is done the humbug will disappear from the library. Contrary to some opinion, students hardly climb three flights of stairs just to hold a conversation.

Stafford Rated Thirteenth Best Speaker At Tourney

Edward Reahl, John Fitzpatrick, Francis Stafford and William Hicken represented Loyola at the National Forensic Contest at Mary Washington College, Virginia, during the Easter holidays. Though neither the affirmative nor the negative teams ranked in the "top ten," two freshmen gained honors for the college.

Stafford was acclaimed the thirteenth best debator out of twenty-five and Hicken reached the finals in one of the preliminaries. Forty-eight colleges from every section of the country were entered in the competition; Heidelberg College was judged the Grand National Champion.

Greyhounds Open Spring Program on Victory Note

by Joe Steffens, Sports Editor

On April 2, the Hounds made their debut into the Spring sports program in a rather auspicious fashion as the baseball team downed Lehigh University while the tennis squad thumped Towson State Teachers by a substantial margin. The golf team also made an impressive entrance into the 1951 season by downing Baltimore University on April 7. The only black spot on the sports calendar was the lacrosse team's 12-8 loss to Johns Hopkins.

The situation certainly seems rather promising at this time, but let us bear in mind that the season is still young and that a rough and rocky road still lies ahead. Although it is true that the various teams have looked impressive in gaining their initial wins, it must be remembered that the majority of this season's sports personnel are inexperienced and only time will tell whether they will be able to continue the pace that they have set.

Jack Doyle

Loyola's basketball team sustained a damaging blow when it was learned that Jack Doyle was compelled to leave school due to the sudden illness of his mother. Jack was a member of this past season's freshman basketball team and in the opinion of Coach "Lefty" Reitz showed promise of being one of the best players ever to don a Greyhound uniform.

Wrestling

It isn't often that you are given a chance to blow the proverbial horn when one of the teams engineers a major upset or makes an unexpectedly good showing in some event. However, it is even less often that an editor misses the opportunity when it presents itself. Through an oversight on my part, this paper did not mention the surprising showing that the wrestling team made in the M-D tourney last month when they almost upset the dope. Having experienced a mediocre season and not even considered a threat in the post season affair, the Hound grapplers finished second and just missed snaring the crown by a slim margin.

Darrell Impressive As Tennis Squad Whips Towson Teachers

by Tony Spartana

John Darrell led the way as Loyola's tennis team defeated a surprisingly strong Towson State Teachers' squad 7-2 in their initial match of the season.

Darrell ran through Al Schleunes 6-0, 6-0 and teamed up with Talbott Cockey in doubles to romp over Schleunes and Luzman 6-0, 6-1.

Bob Bradley, playing in the number two spot, met the Towsonites' Jack Downes and went down to a 6-3, 6-4 defeat.

Cockey and Joe Lacy, number three and four men, respectively, put away Moore and Luzman by identical 6-2, 6-1 counts. However, Tom McDermott had a tougher time with Lane before finally subduing him 6-3, 7-5.

'Crossemens Downed By Hopkins

by John Seal

Last Saturday at Homewood field, the Loyola lacrossmen inaugurated their 1951 season by dropping a hard fought 12-8 decision to Johns Hopkins.

The Jays started off the scoring early in the first period when midfielder Bill Stellman hit the netting for a goal. Loyola's workhorse center, Tommy Wagner, tied the score a few minutes later with a hard midfield bounce shot that passed Joe Sollers, Hopkins' goalie and co-captain.

Kimmel Paces Hounds

After being out played by the aggressive Hounds for the first five minutes of play, Hopkins came back with four quick goals by co-captain Byron Forbush, Emil Budnitz and Bill Crane and the scoreboard read 5-1 for the Blue Jays at the end of the first period.

Bish Baker's charges fought the Jays to a standstill in the second quarter scoring three goals, two by Frank Kimmel, who turned in the hat trick for the Hounds, and Frank Nasco. Hopkins countered by shaking the Green and Gray cords three times, with credit going to Don Tate, Budnitz and Dick Tucker. The teams left the field at the halfway mark with Hopkins out in front 8-4.

Jays Increase Lead

After intermission, Hopkins in a sluggish third quarter, put the game on ice with another trio of goals off the sticks of Ed McNichols, Ed Chavatal and Budnitz.

With coach Freddie Smith of Hopkins experimenting with the Jay line in the last quarter, the Loyolans again took charge of the contest and rammed home a quartet of markers as compared to just one for Hopkins. Those who doubled the Green and Gray score were: Charley Wagner, Bob Strott, Mike Ford and Frank Kimmel.

Hounds Best Showing

The 12-8 margin at the final gun was one of the best comparative scores to which a Loyola lacrosse team has been able to hold Hopkins. The Black and Blue sophomore ace Emil "Buddy" Budnitz was a thorn in the side of the Hound defense all afternoon and gave the Green and Gray bulwark an excellent workout from which they should profit.

Baseball Team Gains Wins Over Lehigh, Scranton U.

Loyola's baseball team opened its 1951 season by defeating highly regarded nines from Pennsylvania in its first games.

The inaugural game, against Lehigh, was rained out after two innings, with Loyola leading 2-0. In the replayed match, two days later, the Greyhounds dumped the Bethlehem (Pa.) team, 7-5, as Jerry Malone, Jack Sybert, and Bob Matthews limited the visitors to four hits.

Loyola garnered two unearned runs in the first inning, but the Pennsylvania outfit retaliated in the third stanza, as it combined its only four hits of the game with two walks, two stolen bases, and two errors for four runs. Loyola added an unearned run in the fourth but Lehigh got it back in the fifth to lead 5-3. In the bottom half of the fifth, the Hounds loaded the bases on three straight walks off Al Fasalino.

Kirby Hits Double

Bozey Kirby then lined a long double over Don Drack's head in center field to clear the bases and give his team a 6-5 advantage. That was all Loyola needed, for Jack Sybert and Matthews set Lehigh

down without a hit from three.

Not a man reached base off the offerings of Matthews in the last three frames. The winners added one more run in the eighth when Ted Markiewicz singled George Franz home from third base.

Defeat Scranton

Last Saturday afternoon, Loyola chalked up its second straight victory of the young collegiate season, at the expense of Scranton University. Bill Potthast, Dan Donohue and Bob Matthews toiled on the hillock for the Greyhounds, and limited the visitors to seven well-spaced hits.

Loyola took a 2-1 lead after two innings and then iced the game in the third stanza with four runs as Mel Wright, George Franz, and Bo Kirby found the range. Dan Donohue relieved Potthast in the third, and he set the Keystoners down in short order during his hurling tenure.

Matthews worked the last three innings and surrendered a single run in the seventh, but the Hounds countered with a singleton in the eighth. Bo Kirby displayed his speed in this contest by pilfering three sacks.

Hound Linksmen Thump B.U. Pistorio Wins Match 8 and 7

position, won his match by forfeit, and Lee Bardelman defeated Justice 3 and 2 in the number five spot.

Pistorio Impressive

But the most impressive performance of the day was turned in by freshman Tony Pistorio. Playing at number six, Tony won eight holes and halved the other three for a sparkling 8 and 7 win. The team also won all of the best ball matches in posting their 8-1 victory.

On Wednesday the linksmen faced the University of Maryland.
